

LOVE ME FOREVER

Love me, love me forever
Take me make me your own
Promise, promise you'll never
Leave me lost and alone.

Kiss me strongly and sweetly
Tell me you will be true
Love me, love me completely
Now and forever as I love you.

Love me, love me forever
Take me, make your own
Promise promise you'll never
Leave me lost and alone.

Kiss me strongly and sweetly
Tell me you will be true
Love me, love me completely
Now and forever as I love you.
